

Minutes of the Meeting held via Teleconferencing on 20.06.2020

Present:

PRINCIPAL

PGT -Staff

Students of Class XII.

Principal explained the present educational scenario where we have to compete by acquiring the new skill sets and using it in order to improve the delivery of high standard of education to the wards through virtual class room.

S NO.	Description	Responsibility
	GENERAL	
a	Determination to study is very important for the students. Principal stressed that the factors like, Teachers, School and class room atmosphere were only additional features for education	All concerned
b	The current scenario of covid-19 virus is only a passing phase of life, which will be overcome by all of us soon We must strive our best to adhere to the situational requirement and react in a positive way.	All concerned
c	This is a golden opportunity to learn new things. New opportunities have to be taken in the right frame of mind and carried out with great spirit especially under new and testing circumstances. Do what you love and love what you do.	All concerned
d	This is not a relaxing time. We need to carry out our work in meeting the responsibility	All concerned
1.0	VIRTUAL CLASSROOM	
1.1	All Students may not be able to access live online class rooms. Hence, we are providing our Recorded lessons, which can be accessed at any time, from any place using all devices (like computers, laptops and smart mobile phones)	All concerned
1.2	The virtual class rooms may provide 40 % of the class room environment.	All concerned
2.0	ROAD MAP	
2.1	From 22 nd of June,2020, everyday students will get an opportunity to interact with one of the Subject- Teachers through GOOGLEMEET as a live session in addition to uploaded lessons via GOOGLE CLASSROOM..	
2.2	Principal suggested that students must share their suggestions with Teachers and Teachers to consider it ,to benefit all the students.
